

**BSI CTMS Denim:**  
Fits your organization like  
your favorite pair of jeans.

# Program of the 9<sup>th</sup> BSI CTMS User Group Meeting

Hosted by Hoffmann-La Roche, Switzerland

**At this exclusive event we share experiences with BSI CTMS Denim and we invite our CTMS customers to discuss and help us to build the future roadmap. Meet your fellow peers and exchange experiences.**

## Highlights

- We'll share BSI CTMS vision and strategy for 2020 and beyond
- Preview next version of BSI CTMS Denim with many new or enhanced features
- Participate in our interactive symposium-style sessions on selected topics
- Integrated eTMF - what happens next?
- Learn how your industry peers get the most out of BSI CTMS Denim
- Prioritize the roadmap and further development of BSI CTMS Denim
